Important events to be reported: Completion of the acquisition of Evryo Group

The management of Premier Energy PLC (hereinafter referred to as the "Company") informs the market that the Company has completed the acquisition of 100% of the share capital of Felix Distribution Holdings S.R.L., the parent company of Distribuție Energie Oltenia S.A. ("DEO"), and 100% of the share capital of Evryo Power S.A. from funds managed by Macquarie Asset Management. As a result, the Company now holds a 100% indirect interest in DEO.

The transaction was initially announced in Current Report no. 8/2026 of 17 April 2026 and approved by the Company's shareholders at the Annual General Meeting of Shareholders held on 10 June 2026. All conditions precedent have been satisfied, including clearance from the Romanian Competition Council and foreign direct investment clearance from the Commission for the Examination of Foreign Direct Investments (CEISD).

The acquisition was financed under the five-year, EUR 850 million Senior Facilities Agreement announced in Current Report no. 32/2026 of 16 November 2026.

The acquisition marks a significant step in Premier Energy's development in Romania, adding regulated electricity distribution to the Group's activities in its principal market and expanding its regulated infrastructure portfolio. DEO operates Romania's third-largest electricity distribution network, spanning approximately 80,000 kilometers and serving approximately 1.5 million customers across seven counties in southwestern Romania.

DEO will continue to operate as a regulated electricity distribution operator in accordance with applicable unbundling requirements and the commitments made to the Romanian Competition Council in connection with its clearance of the transaction.

DEO's results will now start to be fully consolidated in the Company's financial statements.
