## Obiectul revizuirii Scope of Review

- 3 Am efectuat revizuirea in conformitate cu Standardele de Audit adoptate de Camera Auditorilor Financiari din Romania si, mai exact, cu Standardul International Privind Misiunile de Revizuire 2410 "Revizuirea informatiilor financiare interimare efectuata de catre auditorul independent al societatii". Revizuirea informatiilor financiare interimare consta in interviewarea, in primul rand a persoanelor responsabile pentru aspectele financiare si contabile, precum si in aplicarea unor proceduri analitice si altor proceduri de revizuire. O revizuire are o sfera semnificativ mai redusa fata de un audit desfasurat conform Standardelor Internationale de Audit si, de aceea, nu ne permite sa obtinem asigurarea ca vom descoperi toate aspectele semnificative care ar putea fi identificate in cadrul unui audit. In consecinta, nu exprimam o opinie de audit.
- 3 *We conducted our review in accordance with the Standards on Auditing adopted by the Romanian Chamber of Auditors, and more specifically the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.*

## Concluzia

### *Conclusion*

- 4 Pe baza revizuirii noastre, nimic nu ne-a atras atentia in sensul de a ne face sa credem ca informatiile financiare interimele atestate nu sunt intocmite, sub toate aspectele semnificative, in conformitate cu Ordinul Ministrului Finantelor Publice nr. 2844/2016 pentru aprobarea Reglementarilor contabile conforme cu Standardele Internationale de Raportare Financiara, aplicabile societatilor comerciale ale caror valori mobiliare sunt admise la tranzactionare pe o piata reglementata, cu modificarile si completarile ulterioare.
- 4 *Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Order of the Minister of Public Finance no. 2844/2016 approving the accounting regulations compliant with the International Financial Reporting Standards and applicable to companies whose securities are admitted to trading on a regulated market, with all subsequent modifications and clarifications.*
