Important events to be reported: Signing a transaction – Nordlogic acquisition

The management of Arobs Transilvania Software S.A. (hereinafter referred to as "the Company") informs the market that on 27.07.2022, the Company signed an agreement to acquire the entire shareholding of Nordlogic, a local group of companies specialized in the development of custom software products and platforms, with offices in Romania and the United States of America. The value of the transaction does not exceed 10% of the total individual revenues of AROBS Transilvania Software.

Nordlogic was founded in 2006 in Cluj-Napoca by two Romanian entrepreneurs, Andrei Olariu and Ovidiu Codreanu, former high school and university classmates. Throughout its 17 years of existence, Nordlogic has developed and deployed web and cloud applications as well as software based on the Microsoft family of technologies for local and international clients in Europe, the UK, Israel, and the US. Nordlogic's customers operate in various industries, such as financial services, technology, manufacturing, media, healthcare, non-profit organizations, etc. In 2021, Nordlogic Group had consolidated revenues of approximately 9.7 million lei. The management of the company will continue to be provided by Andrei Olariu (CEO), Ovidiu Codreanu (COO), and Ciprian Sorlea (CTO).

The transaction is in line with the Company's development strategy, based on intensive M&A activity. Upon completion, AROBS will expand its Software Services team by integrating more than 60
