Important event to report: Signing of an important Framework Contract

The management of ASCENDIA S.A., hereinafter referred to as "the Company", informs interested persons of the signing of a **Framework Contract with the Council of Europe**.

This Contract has been signed as a result of the competitive call launched this year by the Council of Europe for the "**Provision of services for the development and maintenance of e-learning modules and associated training services**", where we submitted ASCENDIA's offer. The Framework Contract is **valid until 30.04.2026 and can be extended for 2 more years**. Please note that the signed Contract exclusively sets out the general terms of the parties' collaboration, including the prices of the services that can be contracted from ASCENDIA. The value of the services to be contracted and the practical conditions of delivery (such as, but not limited to, delivery/receipt times, locations, etc.) are to be determined by subsequent orders.

This Framework Contract is part of the results of the company's efforts to expand its product and service offering abroad.
