Clarification transaction of insiders

In order to ensure that the shareholders are properly informed, the Company warns shareholders about a wrong information published today in the press. 5th of October 2017, Ziarul Financiar published, both in print version and online, the article: "Cristian Logofatu, shareholder and founder at Bittnet, sells shares for RON 22,400".

The article showing that Mr. Logofatu Cristian - CFO Bittnet - has sold a package of 120,000 Bittnet shares is incorrect. The notifications published on the Bucharest Stock Exchange's news feed reveal the right information: Mr. Logofatu Cristian sold 120,000 preference rights (ticker: BNETR02) but bought 19,200 shares (ticker: BNET). The correct information can be found bellow:
