Chromosome Dynamics announces the launch of its exclusive B2B platform - chrd.ro - for pharmacies and distributors

Chromosome Dynamics is thrilled to announce the launch of its exclusive B2B platform, chrd.ro, dedicated to pharmacies and distributors nationwide. This innovative platform aims to provide simple and efficient access to high-quality products for crop and plant care, catering to both organic and conventional agriculture, as well as household and gardening care.

chrd.ro offers a diverse range of products, including fertilizers, biostimulants, bioinsecticides, and biopesticides, all at competitive prices, directly from the **CHRD Factory**.

"By cutting out middlemen, the platform ensures our customers access to the highest quality products at manufacturer prices. We are committed to being trusted partners for agriculture professionals, pharmacies, and agricultural input distributors, providing them with access to the best resources and solutions for their business success. Through the chrd.ro platform, we aim to facilitate growth and performance in the Romanian agricultural industry," says Chromosome Dynamics founder, Ionel Mugurel Gabriel.

To mark the launch of this innovative platform, Chromosome Dynamics is offering pharmacies and distributors a gift voucher on their first order. This special offer represents the company's commitment to supporting its partners in their own development and in providing the best products for their customers.

The benefits offered by chrd.ro include:

- Access to a **wide range of high-quality products** for crop and plant care.
- Competitive prices **directly from the factory**, without intermediaries.
- The ability to place **quick and efficient orders online**.
