## **StomaPuls online conference - KANTAR annual study, Romanian Dental Barometer, January 28, 2022**

Implant Expert DSO SA (the “Issuer”) informs the bondholders that the data resulting from the annual representative research study will be presented in detail on Friday, **28 ianuarie, 17: 30**, during the online event: **StomaPULS'21 - Piața de stomatologie în cifre**, by accessing the link: <https://ulpia.me/event/stomapuls-piata-de-stomatologie-in-2021-3>

Half of Romanians still say they have never been to the dentist, and those who go invest 2,000 lei a year for dental visits, 17% more than last year. 7.5% of those who accessed the services arrived once a month or more often. For the next 12 months, half of Romanians declare their intention to access dental services.

The KANTAR study was conducted in January 2022, nationwide, on a sample of 1000 people (56% urban, 44% rural, in equal percentages in terms of age and gender) and shows patient behavior Romanian in the last year, being the barometer that captures the changes regarding the access to dental services in the second year of the pandemic.
