Significant events to report: Acquisition of Raffles Energy (UK) Ltd.

Foraj Sonde S.A. Videle (hereinafter the “**Company**” or “**FOJE**”) informs the market of the acquisition of 100% of the share capital of Raffles Energy (UK) Ltd., a UK holding company that owns 100% of Raffles Energy S.R.L. and Zenith Resources S.R.L., two Romanian companies active in the energy sector, particularly in natural gas and electricity generation. The acquired companies hold a diversified portfolio of natural gas assets, including interests in concessions and projects developed in partnership with S.N.G.N. Romgaz S.A., and operate both as operators and holders of petroleum agreements and as producers and suppliers of electricity through gas-to-power (G2P) solutions.

These activities are complementary to those carried out by the Company and help strengthen the group’s position along the energy sector value chain. The transaction is therefore in line with the group’s strategy of expanding and diversifying its operations, with the aim of capturing the operational and economic synergies arising from the complementarity of these activities. Through this acquisition, the Company strengthens its presence in the natural resources and energy generation sectors, expanding its capabilities in natural gas production and gas-to-power conversion.

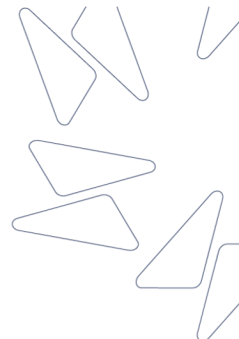

The Company informs that the transaction for the acquisition of 100% of the share capital of Raffles Energy (UK) Ltd. was successfully completed on 25.09.2026, following the fulfilment of all conditions precedent set out in the transaction documents, including the approvals and formalities required under applicable law. Following completion of the transaction, Raffles Energy (UK) Ltd., together with its subsidiaries Raffles Energy S.R.L. and Zenith Resources

S.R.L., has become part of the Foraj Sonde S.A. Videle group. The financial results of the acquired companies will be included in the group's consolidated financial statements in accordance with the applicable accounting standards.

Raffles Energy S.R.L. and Zenith Resources S.R.L. will continue to operate as stand-alone entities, with no changes to their legal structure or mode of operation, and will continue to comply with the obligations assumed under the petroleum agreements. At the same time, the group intends to strengthen the local management team to ensure operational continuity and the further development of the business. The transaction has no impact on existing employees.

Chairman of the Board of Directors,

Adrian CREȚOIU
