Important events to be reported: Conclusion of a contract for the supply of a mobility solution for field operations

The management of IT Genetics S.A. (hereinafter referred to as the "Company") informs the market about the conclusion of a contract for the supply of a mobility solution designed to digitalize and streamline field service operations.

The equipment is designed for use in demanding industrial conditions and enables field personnel to access, collect and process information directly at the point of intervention. Some of the equipment is intended for use in environments subject to special safety requirements, including areas with potentially explosive atmospheres, and carries the specific certifications required for such applications.

The contract represents one of the Company's significant projects in this category of solutions and contributes to consolidate the Company's position in the Utilities vertical.

Supplier: IT GENETICS S.A.;

Beneficiary: confidential; an entity unaffiliated with the Company, operating in the utilities sector;

Total contract value: RON 5,140,934.26, VAT included;

Type of contract: Sale and purchase;

Contract duration: Until the solutions covered by the contract have been supplied, but no later than 31 December 2026.

Liviu-Mihai Sima

Chairman of the Board of Directors

IT GENETICS S.A.
