Important events to report: Completion of the transaction with Expert Agribusiness S.R.L. through the acquisition of fixed assets and intangible assets

The management of Norofert S.A., hereinafter referred to as the Company, informs the market about the completion, on 15.10.2026, of a sale and purchase transaction with Expert Agribusiness S.R.L. concerning fixed assets and intangible assets related to seed research and multiplication activities. The value of the transaction is RON 3.3 million, and the amount was settled through the offsetting of receivables.

Through this transaction, the Company acquires a complete seed selection, conditioning and treatment line, intended for preparing certified seed for commercialization. The Company also takes over the Romanian genetic lines for maize, sunflower and wheat developed within the research activity of Expert Agribusiness S.R.L. These will be used for seed production on the Zimnicea farm, for commercialization.

Following the detailed analysis carried out during the acquisition process, the Company and Expert Agribusiness S.R.L. agreed to complete the transaction by offsetting the receivables held by Norofert S.A. against Expert Agribusiness S.R.L. The final structure of the transaction replaces the acquisition of the 60% stake initially envisaged and allows the direct takeover of the fixed assets and intangible assets, represented by the seed material genetics.
