Convention 209/9 Mar 2021, concluded on PCCB-NC	Sale and purchase of electricity	788.40	9 March 2021	30 April 2021	788.40	Late payment penalties are calculated for each day of delay, starting with the day immediately following the due date and until the date of payment of the amount due, inclusive. The level of delay penalties corresponds as a percentage of the interest due for non-payment on time of the obligations to the state budget, for each day of delay.	The invoice is issued no later than the first working day of the month immediately following the month of delivery. Payment shall be made before the last of the following dates: (a) the 7 th working day following the date of dispatch of the invoice; or (b) the 8 th working day immediately following the month of delivery.
Transaction ID 38768/30 Mar 2021, annex to EFET contract No. 872/29 Dec 2015, concluded on PCCB-NC	Sale and purchase of electricity	932.40	30 March 2021	30 April 2021	Guarantee of RON 24.486 th. on the EFET contract no. 872 / 29.12.2015, valid until 25 January 2023	For due debts, an interest will be charged, from and inclusive, the due date until, exclusively, the date of payment. The interest rate will be the 3-month ROBOR rate at 11 a.m. on the due date + 3% per year.	The seller will send the invoice during the calendar month following a supply of electricity according to the delivery schedule for the previous month. Payment is made on or before the last of the following dates: the 20 th

							calendar day or if it is not a working day, then immediately the next working day or the 5 th working day from the receipt of the invoice.
Convention 475/ 8 Apr 2021, concluded on PCCB-LE-Flex	Sale and purchase of electricity	7,025.20	8 April 2021	31 December 2022	972.72	Penalty interest is calculated for each day of delay, starting with the day immediately following the due date and until the date of settlement of the amount due, inclusive. The level of penalty interest is 0.1% for each day of delay. Additional compensation in case of termination, equal to the value of electricity related to a number of 31 days of delivery, regardless of the number of days of delivery remaining until the completion of electricity supplies related to the contract.	The invoice is issued in the first 3 financial days of the month following the contractual delivery month. Payment shall be made by the tenth day of the contract month following the month of delivery. If the 10 th calendar day of the month following the contract month is a non-working day, payment will be made no later than the next working day.
