In case of legal person shareholders or of entities without legal personality, the quality of legal representative is found based on the shareholders' list from the reference date received from the Depozitarul Central S.A.. In case the shareholders' register on the reference date does not contain data regarding the quality of legal representative or they are not updated, this quality shall be proved with a confirmation of company details issued by the Trade Register, presented in original or in a certified true copy, or any other document, in original or in a certified true copy, issued by a competent authority from the state in which the shareholder is legally registered, attesting the quality of legal representative.

The documents certifying the quality of legal representative of the legal person shareholder shall be issued no more than 3 months before the publication date of the notice to attend of the general meeting of shareholders.

Shareholders who do not have legal competence, as well as legal persons, can be represented by their legal representatives, who, in turn, may issue an empowerment to other persons.

C.2. Representation based on empowerment at the E.G.M.S.

Shareholders may be represented at the E.G.M.S. through other persons, based on a special empowerment (power of attorney) or of a general empowerment.

For this type of vote, the special empowerment forms must be used (in Romanian or in English language) in compliance with the provisions of the applicable legislation, which will be made available by the Board of Directors of the company or by a general empowerment drafted in compliance with the provisions of Art. 202 from Regulation No. 5/2018.

Legal person shareholders or entities without legal personality attending the E.G.M.S. through another person than the legal representative, shall necessarily use a special or a general empowerment, under the conditions specified above.

a. Representation based on special empowerment (power of attorney)

The forms of special empowerment will be available in Romanian language and in English language **starting with 05.09.2023, until 4 o'clock p.m.**, at the Company office and on the internet page of the company, www.biofarm.ro. If a shareholder assigns, by special empowerment, as a proxy, another person, the form of special empowerment for natural persons or legal persons shall be used, as the case may be.

i. In case of natural person shareholders, special empowerments shall be accompanied by the copies of the identity documents of shareholders, who must allow their identification in the company's shareholders' register held by the Depozitarul Central S.A..

ii. The quality of legal representative of the person who signed the empowerment (power of attorney) is found based on the shareholders' list from the reference date received from the Depozitarul Central S.A.. If the shareholders' register does not contain data regarding the quality of legal representative or they are not updated, this quality is proved with a confirmation of company details in original or in a certified true copy, issued by the Trade Register or any other document, in original or in a certified true copy, issued by a competent authority from the state in which the shareholder is legally registered, with a period of maximum 3 months in relation with the date of publication of the notice to attend of the General Meeting, which would allow the identification of the legal representative.

Shareholders shall fill in and sign the special empowerments (powers of attorney) in three original counterparts: one for the shareholder, one for the representative and one for the company. The copy for the company, filled-in and signed, as well as the accompanying documents, are submitted in person or are transmitted to the office of BIOFARM S.A. of Bucharest, str. Logofățul Tăutu, nr. 99, sector 3, cod poștal 031212, **until 03.10.2023, at 12 o'clock p.m.**, in a sealed envelope, with the mention in print and in capital letters: « FOR THE EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS OF 05/06.10.2023 » or sent to the e-mail addresses: daniel.constantin@biofarm.ro or roxana.stanciu@biofarm.ro until the same date and time, with the embedded extended electronic signature, pursuant to Law No. 455/2001 on electronic signature - republished, under the sanction of losing the voting right.

A shareholder is forbidden to express different votes based on the shares held by him/her at the same company.

A shareholder gives, within the special empowerment (power of attorney) form specific voting instructions to the person representing him/her, for each item on the agenda of the General Meeting of Shareholders.

If by the empowerment, several alternate representatives are appointed, the order in which they will exercise their mandate will be established as well.

A person acting as the representative may represent several shareholders, the number of shareholders thus represented being unlimited. If a representative holds different empowerments conferred by several shareholders, he/she is entitled to vote for a shareholder differently as compared to the vote for another shareholder. The person representing several shareholders based on empowerments expresses the votes of the represented persons by summing up the number of votes "for" and "against" without compensating them (for example, in item x from the agenda, I am representing "a" votes "for" and "b" votes "against"). In the case of special empowerments, the votes thus expressed are valid based on copy 3 of the special empowerment.

Special empowerments (powers of attorney) shall be updated depending on the existence of the proposals to complete the agenda by shareholders.

In all cases, natural persons empowered by a special power of attorney will be identified with the identity deed at the E.G.M.S.

b. Representation based on general empowerment (power of attorney)

Shareholders may issue a general empowerment (power of attorney) valid for a period of time that must not exceed 3 (three) years, allowing the assigned representative to vote in all the aspects under the debate of the Company's General Meeting of Shareholders, provided that the general empowerment (power of attorney) is granted by the shareholder, as the client, to a defined intermediary, pursuant to Art. 2 para. (1) point 19 of Law No. 24/2017, republished, or to an attorney-at-law.

In the case of general empowerments, the person acting as the representative shall not present in the general meeting of shareholders any proof regarding the vote of the represented persons.

The general empowerment must contain at least the following information:

- a. shareholder's name/designation;
- b. representative's name/designation (the person whom the power of attorney is granted to);
- c. date of the empowerment, as well as its validity period, complying with the legal provisions; empowerments bearing a later date have the effect of revoking the powers of attorney previously dated;
- d. specifying that the shareholder authorizes the representative to attend and vote on his/her behalf by the general empowerment at the General Meeting of Shareholders for the entire holding of the shareholder on the reference date, with express specification of the company(ies) for which the respective general empowerment is used.

The general empowerment shall terminate by:

- (i) a revocation written by its principal shareholder sent to the issuer no later than the deadline for submitting the empowerments, applicable to an extraordinary or ordinary general meeting, held within the mandate, drafted in Romanian language or in English language; or
- (ii) losing the quality of shareholder of the principal on the reference date applicable to an extraordinary or an ordinary general meeting of shareholders, organised within the mandate; or
- (iii) losing the quality of intermediary or of attorney-at-law of the proxy.

The general empowerment shall be signed by the shareholder and accompanied by a statutory declaration given by the legal representative of the intermediary or by the attorney-at-law who received the power of representation by the general empowerment, showing that:

- (i) the empowerment is granted by the respective shareholder, as the client, to the intermediary or, where appropriate, to the attorney-at-law;
- (ii) the general empowerment is signed by the shareholder, including by attaching an extended electronic signature, where appropriate.

The declaration provided above must be submitted with the BIOFARM S.A. Company in original, signed, without fulfilling other formalities in relation to its form. The declaration is submitted together with the general empowerment.

Certified copies of general empowerments (powers of attorney) are retained by the company, a mention being made in this regard in the E.G.M.S. protocol.

If the person empowered by a general empowerment (power of attorney) is a legal person, it may exercise his/her mandate received through any person who is part of the administration and management bodies, or through any of his/her employees, submitting documents that attest their quality, in original or in a certified true copy.
