The contract covers the supply of products for railway works financed through PNRR funds. In this context, we inform investors that in a similar contract, also for a duration of (2) two years, a contract whose conclusion was reported on the BVB website on 11.05.2023, prefabricated products worth approximately 10% of the total value of the Contract have been delivered so far, i.e. in a period of 6 months, having regard to the direct relationship between the execution and payment schedules for railway works and the possibility for the Romanian authorities to fulfil, within a reasonable time, the conditions for attracting PNRR funds.
