Evenimente importante de raportat: Numirea unui Director de Operațiuni (COO)

Conducerea Safetech Innovations S.A. (denumită în continuare „Compania”) informează acționarii despre numirea domnului Ionuț Georgescu în funcția de Director de Operațiuni (COO) al Companiei. Mandatul domnului Georgescu începe în data de 2 mai 2023, contractul fiind semnat pe o perioadă de timp nedeterminată.

Domnul Georgescu este un executiv cu peste 21 de ani de experiență în industria de IT și securitate informațională. Înainte de a se alătura echipei Safetech Innovations, Ionuț Georgescu a deținut funcția de Senior Manager, Advanced Security Analysis în cadrul Dell Securworks, unde a coordonat echipe multinaționale multiple care au livrat servicii de securitate pentru companii internaționale de top.

În calitate de COO al Companiei, Ionuț Georgescu va avea un rol esențial în cadrul strategiei globale a Safetech Innovations. Principalul obiectiv al acestuia va fi legat de poziționarea companiei ca un furnizor de top de servicii și soluții de securitate cibernetică în România, Marea Britanie, SUA și Emiratele Arabe Unite, țări în care Safetech Innovations deține filiale.

SAFETECH INNOVATIONS S.A.
