**Important event to report: Resynchronization of Cernavoda NPP Unit 1 to SEN**

**SN Nuclearelectrica SA (SNN) announces that Unit 1 of the Cernavodă NPP has been resynchronised to the National Energy System on 19 November 2023.**

Unit 1 of the Cernavodă NPP was automatically disconnected from the national electricity grid on the evening of 18 November 2023, due to weather conditions that caused disturbances in the national power system.

The automatic disconnection of Unit 1, as well as the remedial works, were carried out safely in accordance with the specific procedures of the Cernavodă NPP applicable in such situations and had no impact on nuclear safety, unit staff, the population and the environment.

The company management thanks all the professional teams involved in this remediation. They have shown a high level of professional excellence, responsibility, coordination and commitment in carrying out this work.
