## Important event:

EVERGENT Investments holds 10% of mWare Solutions' shares, which is a company specialized in Big Data and artificial intelligence solutions.

EVERGENT Investments, a company listed under the ticker EVER, known for its distinctive private equity investment strategy, is increasing its stake in the Romanian software company mWare Solutions SA to 10% through participation in a new round of share capital increase.

mWare Solutions operates in the field of artificial intelligence and Big Data, positioning the company advantageously to benefit from the opportunities created by the technological revolution.

mWare Solutions SA (<https://www.bigconnect.io/>) sets itself apart from both local and international companies in the deep-tech IT sector through its technological platform. This platform introduces the capability to analyze unstructured data within organizations, using a semantic model of data understanding based on neural networks with native capabilities in deep learning and machine learning. mWare's technology provides its clients with new perspectives in decision-making, new indicators, and possibilities for automating organizational processes based on artificial intelligence.

The IT sector is of major importance in the Romanian economy, accounting for over 7.5% of the Gross Domestic Product. Expectations for this sector are to grow at double-digit rates in the coming years, also supported by the National Recovery and Resilience Plan through the C7 component – Digital transformation, with a budget allocation of 1.88 billion euros.
