On 31 March 2024, the company registered a gross profit of 33,2 million lei, higher by 26.9 mil. lei compared to the level budgeted for this period because:

- the physical program approved for the first 3 months of the year was exceeded by 23.7%, which generated the increase in revenues

- total revenue achieved increased by 20.7%
- total recorded expenditure decreased by 8.6%

For the upcoming period, we expect to achieve a turnover within the budget limits, to incur some total expenses proportionally to the achievement degree of the total revenues, as well as to achieve, until this year's end, a gross profit at least at the level approved by OGSM's Decision no. 2/23.02.2024.
