### X. Final provisions

When filling in the special powers of attorney and Ballot Papers, please consider the possibility of completing the agenda of the OGMS with new items, in which case the completed agenda will be published in accordance with the legal provisions. In this situation, updated special powers of attorney and updated Ballot Papers can be obtained from the Company's Registry and from the Company's website ([www.hidroelectrica.ro](http://www.hidroelectrica.ro)), starting with the date of publication of the completed agenda.

In the event that the shareholders do not submit updated special powers of attorney and/or updated voting ballots, the special powers of attorney and voting ballots sent prior to the supplementation of the agenda will be taken into consideration only for the items included in the initial Convening Notice and in the supplemented agenda. In this situation, for the new items on the supplemented agenda, the corresponding vote will be deemed as not expressed.

If the person representing the shareholder by personal participation in the general meeting is different from the one who cast the ballot by correspondence vote, then for the validity of his vote he shall submit to the general meeting a written revocation of the ballot by correspondence vote signed by the shareholder or the representative who cast the postal vote. If the shareholder or his legal representative is present at the general meeting, this is no longer necessary.

Abstentions shall not be considered votes cast to determine the number of votes required for the adoption of a resolution at general meetings of shareholders but shall count towards establishing a quorum. Also, the null vote (the shareholder ticks on the ballot paper both "for" and "against" and/or "abstention") and the "not cast" vote (the shareholder leaves the blank ballot) will have the legal regime of abstentions, respectively they will not be removed from the quorum calculation, but only will not be considered in the calculation of the required majority.

For all situations mentioned in the Convening Notice, the documents presented in a foreign language (except for the identity documents valid on the territory of Romania, in Latin characters) will be accompanied by a translation into Romanian or English.
