**Important events to be reported:** Republication of the H1 2025 report due to material errors

The management of Safetech Innovations S.A. (hereinafter referred to as the "Company") informs the market regarding the republication of the Company's financial report for H1 2025, due to material errors concerning the individual and consolidated cash flows.

More specifically, the positions for the years 2024 and 2025 were swapped, as follows:

- (i) At the individual level, in the lines "Payments for acquisition of intangible assets" and "Net cash used in investing activities";
- (ii) At the consolidated level, in the lines "Net cash generated from operating activities," "Payments for acquisition of intangible assets," and "Net cash used in investing activities."

The swap of the positions mentioned above constitutes a material error, which does not affect the Company's financial position.

The corrected financial report for H1 2025 is attached to this current report. All the other provisions of the report remain unchanged.
