Important events to be reported: Participation as subcontractor in European Commission FREIA framework contract

The management of Safetech Innovations S.A. (hereinafter referred to as the "Company") announces its participation, as subcontractor, in a consortium led by Ernst & Young Consulting BV/SRL and formed of Orange Business Belgium S.A., Cosmote Global Solutions N.V. and Deutsche Telekom Global Business Solutions S.A. (hereinafter referred to as the "Consortium"), within the framework contract FREIA, awarded by the European Commission, Directorate-General for Digital Services (DG DIGIT).

The Consortium has been awarded the first position under Lot 2 (Policy Implementation Support – EUR 128,242,320.00) and Lot 3 (Advisory Services and Capacity-Building Services – EUR 49,395,840.00) of the framework contract. Positions 2, 3 and 4 under this procedure have been awarded to three other consortia.

The scope of the Framework Contract covers the provision of external services to support cybersecurity operations, advisory services on cybersecurity topics, as well as capability development in the field of cybersecurity. The Freia framework contract has a duration of 48 months.

As a subcontractor, the Company will carry out activities based on specific orders received throughout the duration of the contract, depending on its capabilities and availability, under the coordination of the consortium leaders. The actual allocation of activities and associated

SAFETECH INNOVATIONS S.A.

revenues will depend on the DG DIGIT's evolving needs over the duration of the contract, as well as on the internal distribution of tasks among consortium members, based on their respective expertise.

However, in the event that any individual order assigned to Safetech Innovations S.A. exceeds 10% of the Company's annual turnover, the Company will promptly inform the market in accordance with the applicable legal provisions.
