IMPORTANT EVENT: AQUILA - Development Ambition for 2031

Aquila Part Prod Com S.A. (market symbol **"AQ"**, hereinafter also referred to as the "Company") informs shareholders and investors about the Group's development ambition for the next five years, through 2031, which aims to expand its portfolio of products and services to cover a wider range of customer needs.

The main financial objectives for 2031 are: **Revenues of approximately RON 5.5 billion** (equivalent to around EUR 1 billion) and **an EBITDA margin of 5 - 6%**, supported by an improved product mix and increased operational efficiency.

To support these objectives, AQUILA intends to develop its distribution business, expand its portfolio of own brands, and acquire companies that support these development directions.

The objectives presented reflect the Group's development ambition and do not constitute guarantees of future financial performance, as their achievement depends on the evolution of market conditions and the implementation of strategic initiatives.

Additional information about the Group's activities, its evolution since listing, and its development directions is available in the AQUILA - 5 Years on the Bucharest Stock Exchange presentation, prepared on the occasion of the fifth anniversary of the Company's listing.
