Important events to be reported: Notice Regarding a Cybersecurity Incident

SSIF BRK Financial Group S.A. informs its clients and investors that, on October 30, 2026, it identified a cybersecurity incident affecting the application used for online account opening. The incident was detected by the company's monitoring systems, and the application was immediately isolated.

The investigations conducted have revealed no indications that any other IT systems of the company, including the trading platform, were affected. Furthermore, no unauthorized transactions or activities involving clients' accounts or assets have been identified.

The online trading account opening service (MyBRK) is temporarily unavailable. During this period, accounts may be opened at BRK's offices and branches, as well as through our tied agents.

The company has notified the competent authorities and is working with cybersecurity specialists to investigate the circumstances of the incident, including any potential impact on the personal data of the application's users. Where necessary, affected individuals will be notified directly.

BRK Financial Group S.A. will continue to monitor the situation and keep clients and investors informed of any relevant developments.
