Important events to be reported:	**The decision of the High Court of Cassation and Justice regarding the investigation conducted by the Romanian National Anticorruption Directorate with respect to Digi Romania S.A., Integrasoft S.R.L. and certain of their directors**

The Company informs the market that on 11 November 2026, the High Court of Cassation and Justice issued a final ruling upholding the acquittal of Digi Romania S.A. (the Company's subsidiary in Romania – "Digi Romania"), its current and former directors, as well as the other parties involved in the criminal case investigated by the Romanian National Anticorruption Directorate ("DNA"), as previously disclosed in the initial public offering prospectus dated 26 April 2017 and in subsequent public reports.

The Court dismissed as unfounded the appeal lodged by DNA against the judgment delivered on 25 November 2025 by the Bucharest Court of Appeal, Second Criminal Division, which had acquitted all defendants on the grounds that the alleged criminal acts did not occur.

The Company has maintained from the start that the criminal charges brought against it in this case were wholly unfounded.

Today's final ruling by the High Court of Cassation and Justice brings to an end all those charges and confirms the position that the Company has consistently maintained.
