Digi Communications N.V. reports consolidated revenues of 1,8 billion euros in the first nine months of 2026, up 11% year-on-year, and 528 million euros of adjusted EBITDA (excluding operating leases), up 21% year-on-year

- Digi Communications consolidated revenues increased 13% year-on-year (YoY) in Q3 2026, reaching EUR 633 million, resulting in EUR 1,8 billion in revenues generated in 9M 2026, up 11% YoY.
- Adjusted EBITDA (ex. operating leases) reached EUR 197 million in Q3 2026, a 26% YoY increase, with adjusted EBITDA for 9M 2026 reaching EUR 528 million, up 21% YoY.
- The Group achieved a substantial increase in the number of revenue-generating units (RGUs) reaching 35.1 million RGUs (+14% YoY growth) as of September 30, 2026, across the entire portfolio of services: mobile, broadband, Pay TV and fixed telephony in Romania, Spain, Portugal and Italy.

Digi Communications N.V., one of the leading European telecommunications companies, listed on the Bucharest Stock Exchange, reports consolidated revenues of EUR 633 million in the third quarter of 2026, a 13% YoY increase. Adjusted EBITDA (ex. operating leases) for Q3 2026 increased by 26% compared to the result from Q3 2025, reaching EUR 197 million. Consequently, in the first nine months of 2026, the Group recorded consolidated revenues of EUR 1,8 billion, an 11% increase versus 9M 2025, and adjusted EBITDA of EUR 528 million, up 21% YoY.

Serghei Bulgac, CEO of Digi Communications, stated: *"Reaching 35 million revenue-generating units (RGUs) across the Group is an important milestone for all of us at DIGI. We added 4.2 million RGUs over the past year, with Spain and Romania driving this strong growth. We are also proud to have passed 1 million RGUs in Portugal just two years after launching our operations. It is encouraging to see both our established businesses and our newer markets contributing to the Group's progress. We are equally pleased with our strong financial performance. Third-quarter EBITDA reached €197 million, up €40 million year on year. These results reflect the trust our customers place in us and the hard work of our teams. As we continue to grow, our focus remains the same: providing quality services at affordable prices and investing in our networks to serve our customers better."*

In Q3 2026, Digi continued to grow across its entire service portfolio, reaching 35.1 million in revenue-generating user agreements (RGUs) across Romania, Spain, Portugal and Italy. This marks a 14% increase compared to Q3 2025.

The mobile segment stands out for generating the most RGUs within the Group's array of services, accounting for 52% of the overall clients across the four markets. Maintaining its momentum from past quarters, in Q3 2026, the mobile segment saw its RGUs climb to 18.3 million, a 19% YoY increase, covering mobile telephony clients across Romania, Spain, Portugal and Italy.

In **Romania**, the mobile service segment remained the largest, reaching 8.8 million RGUs as of the end of Q3 2026, a positive evolution of 21% compared to Q3 2025. Broadband services registered an increase of 4% in Q3 2026, compared to Q3 2025, up to 5.3 million RGUs, while the segment of Pay-TV services (cable and satellite) increased by 1% YoY up to 6.1 million RGUs. Together with fixed-line telephony, the total number of RGUs in the Romanian market amounted to 20.9 million customers as of Q3 2026, a 9% increase versus Q3 2025.

Spanish operations continued the strong performance in Q3 2026, with the number of users of fixed services, internet, and mobile telephony increasing by 22% compared to Q3 2025, to 12.6 million RGUs. Mobile users increased by 18% to 8.3 million RGUs, while broadband users increased by 27% to 3.1 million.

In **Portugal**, where Digi offers a full range of telecommunication services, including mobile, fiber optic broadband internet, television, and fixed telephony, the number of RGUs amounted to 1.0 million, up 27% YoY, of which 591k were mobile and 204k were broadband users.

In **Italy**, mobile users increased by 4% YoY, reaching 596k RGUs as of the end of Q3 2026.
