At the Extraordinary General Meeting of Shareholders held on 28 May 2026, Fondul Proprietatea's shareholders approved Resolution no. 5 approved with 95,80% of the votes, authorizing the fund to issue bonds in accordance with applicable legislation. Resolution no. 6 was approved with 95,83% of the votes, allowing Fondul Proprietatea to use debt financing for its activities. Consequently, reserving cash for a potential share capital increase at CN Aeroporturi Bucuresti SA based on ongoing litigations is therefore no longer necessary.

Additional Grounds for Convening the GSM

Q1 2026 Performance as a Basis for Shareholder Returns

The first quarter of 2026 demonstrated steady operational and financial performance across Fondul Proprietatea and its core portfolio holdings. The financial stability, revenue growth, and solid net profit margins of these main assets demonstrate the capacity to sustain and deliver dividend payments to shareholders.

The Fund's overall position remains stable, supported by a Net Asset Value of 2,33 billion RON and improved market liquidity, with the average daily share turnover reaching 6,5 million RON. This stability is driven by the profitability of its top three holdings:

CN Aeroporturi Bucuresti SA (The Airport)

The Bucharest Airport reported positive first-quarter results, translating increased traffic into higher profitability.

Surging Passenger Traffic: The airport handled 3,8 million passengers, representing a solid 4% year-over-year growth.

- **Passenger Traffic Growth:** The airport handled 3,8 million passengers, representing a 4% year-over-year growth.
- **Revenue Expansion:** Operating revenues increased by 14,0%, reaching 377,7 million RON.
- **Net Profit Increase:** Net profit grew by 20,0% year-over-year to 160,9 million RON, reflecting operating leverage and cost efficiency.
- **Dividend Realization:** This cash generation capability supports shareholder distributions; in May 2026, the company approved a dividend distribution of 580,8 million RON, allocating 116,2 million RON to the Fund.

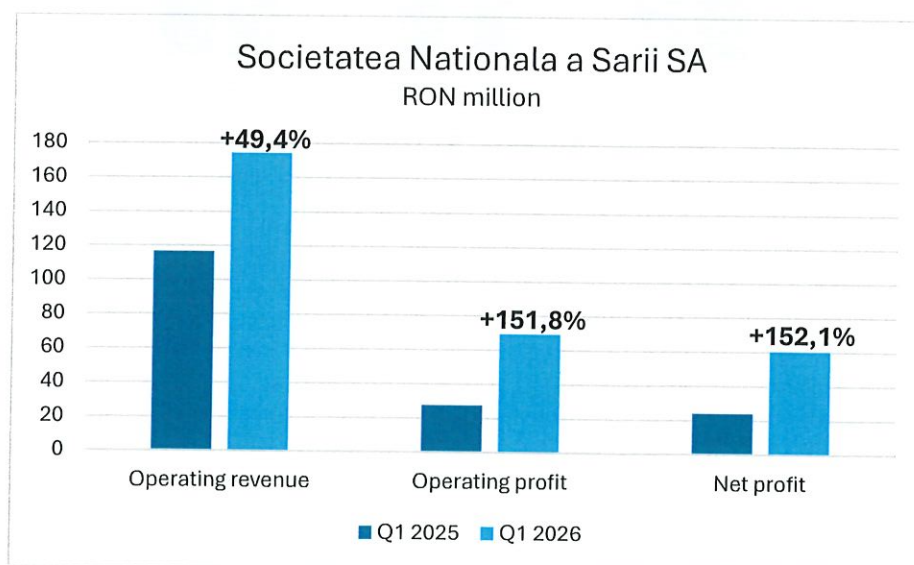

Societatea Nationala a Sarii SA (Salrom)

Salrom recorded significant financial growth in the first quarter, supporting its position as a dividend-paying asset.

- **Operating Revenue Increase:** Operating revenues increased by 49,4% to 174,2 million RON.
- **Net and Operating Profit Growth:** The company's net profit increased by 152,1%, reaching 60,5 million RON. Operating profit also grew by 151,8% to 69,5 million RON.
- **Dividend Realization:** This profitability supports investor returns. In May 2026, the company approved a dividend distribution of 66,1 million RON, allocating 32,4 million RON to the Fund.

CN Administratia Porturilor Maritime SA (The Seaport)

The seaport demonstrated stable revenue generation, ensuring continued financial stability and capacity for returns.

- **Consistent Revenue Growth:** Despite a 10% volume decline in specific cargo sectors, such as cereals and oil products, the seaport increased its operating revenue by 4,2% to 134,3 million RON.
- **Dividend Realization:** This steady revenue stream continues to support the company's dividend capacity. A dividend distribution of 26,3 million RON is scheduled for shareholder approval in June 2026, which, if approved, would allocate 5,3 million RON to the Fund. That would mean the first dividend payout in many years.

Rationale for Shareholder Returns

The results from the first quarter of 2026 highlight the continued financial health and strong operations of Fondul Proprietatea and its key portfolio companies. By successfully turning airport traffic into revenue, growing profit margins at Salrom, and maintaining steady income at the seaport, the portfolio continues to generate reliable cash flows. This solid financial performance provides a clear and practical basis for distributing sustainable dividends to shareholders.

We must emphasize that the decree, formally adopted by the Romanian Government and approved by Prime Minister Bolojan on April 16, creates a clear obligation to distribute at least 90% of profits of state owned or partially owned companies. We, hereby on our part, fully comply with this governmental decision.
