PRESS RELEASE
regarding the results recorded by Infinity Capital Investments S.A.
- at consolidated level -
la 30.09.2026

The condensed interim consolidated financial statements as of 30 September 2026 have been prepared in accordance with the requirements of IAS 34 "Interim Financial Reporting" and should be read in conjunction with the consolidated financial statements for the year 2025, prepared in accordance with A.S.F. Regulation No. 39/2015 approving the Accounting Regulations compliant with the International Financial Reporting Standards applicable to entities authorized, regulated and supervised by the Financial Supervisory Authority in the Financial Instruments and Investments Sector, as well as the Investor Compensation Fund.

Pursuant to the provisions of Law No. 24/2017 and Regulation No. 5/2018 regarding issuers of financial instruments and market operations, the Company prepares quarterly consolidated financial reporting in accordance with the international accounting standards applicable to interim financial reporting (IAS 34).

As at 30 September 2026 there are 9 entities in which Infinity Capital Investments S.A. holds direct control, having more than 50% of the share capital (10 entities as at 31 December 2025).

The Group recorded a profit before tax of RON 153,034,692 as at 30 September 2026, representing an increase of 42.18% compared with the profit before tax of RON 107,632,976 recorded as at 30 September 2025.

The Group recorded a profit before tax of RON 153,034,692 as at 30 September 2026, representing an increase of 42.18% compared with the profit before tax of RON 107,632,976 recorded as at 30 September 2025.

Financial assets measured at fair value through other comprehensive income, amounting to RON 4,590,308,885 as at 30 September 2026, increased by 17.34% compared with 31 December 2025 (RON 3,912,031,843). This result was influenced by portfolio adjustments made to capitalize on capital market opportunities during the first nine months of 2026, as well as by the positive performance of the capital market over the same period.

Equity, amounting to RON 5,265,775,600, increased by 13.70% compared with 31 December 2025 (RON 4,631,236,937), mainly as a result of the favorable evolution of reserves related to financial assets measured at fair value through other comprehensive income.

The condensed interim consolidated financial statements as at 30 September 2026 have not been audited by the Company's external financial auditor.
