### **Important events to be reported: Acquisition of wagamama franchise rights for Romania**

The management of Sphera Franchise Group S.A. (hereinafter referred to as the "Group") informs the market about the expansion of the Group's portfolio through the addition of the wagamama franchise, an internationally recognized pan-Asian brand. The franchise rights for developing the brand in Romania have been acquired by the Group and will be implemented through a newly established company, wholly owned by Sphera Franchise Group.

The Group intends to open the first wagamama restaurant in Bucharest towards the end of 2026 - early 2027, marking its entry into a new market segment, namely fast-casual Asian dining. The launch of wagamama is part of the Group's strategy to diversify its portfolio and expand into high-growth potential segments, further strengthening its position in the local food service market.

Founded in London in 1992, wagamama operates an international network of restaurants and is recognized for its Asian-inspired menu, efficient operating model, and contemporary design concept. The brand stands out through its "kaizen" philosophy ("continuous improvement"), which underpins product development and customer experience, emphasizing fresh, nourishing food served in a dynamic setting.

The wagamama menu includes dishes inspired by modern Asian cuisine, such as ramen, rice-based dishes, and teppan, all prepared using fresh ingredients and adapted seasonally. The concept is known for its bold flavors, high-quality ingredients, and contemporary, community-oriented dining experience.

The addition of wagamama to the Group's portfolio reflects Sphera Franchise Group's commitment to sustainable growth, operational excellence, and the development of strategic partnerships with leading international brands, complementing recent expansion initiatives, including the Hard Rock Cafe and Cioccolatitaliani franchises.
