Important events to be reported: Results of the Black Friday 2026 campaign

The management of Christian '76 Tour S.A. (hereinafter referred to as the "Company") informs the market about the results of its Black Friday campaign held between 6 and 9 November 2026. During the four-day campaign, the Company recorded net sales of over EUR 3.6 million, an increase of over 41% compared to the 2025 campaign, representing growth of more than EUR 1 million.

More than 4,400 tourists booked holidays during the campaign, an increase of over 25% compared to the previous edition. The average booking value increased by 6.5% to EUR 2,053, supported by customers' preference for integrated holiday packages including charter flights. Sales of these packages reached EUR 2.6 million, compared to EUR 1.1 million in 2025.

Holidays with departures scheduled between May and October 2027 generated over EUR 2.8 million, representing approximately 76% of the total value recorded during the campaign. Bookings for the next summer season reflect customers' tendency to plan their holidays in advance and provide the Company with early visibility into demand, supporting the planning of charter flight capacity and hotel partnerships.

Türkiye remained the leading destination, with sales exceeding EUR 1.7 million, 2.5 times the level recorded during the 2025 campaign, with the Antalya region attracting the greatest interest. Sales for Egypt increased by over 44%, while those for Greece rose by over 14%. Sales of tours to exotic destinations also increased by over 22% compared to the previous year.

The Company has decided to extend selected Black Friday offers until 15 November 2026.
