**UniCredit Bank statement regarding the Competition Council's press release of June 7, 2026, on the sanctioning of 10 banks**

UniCredit Bank's position is unequivocal: the Competition Council's decision is unjust, unfounded, and we firmly reject it. The way this investigation was conducted demonstrates that none of the technical and legal arguments presented during the hearings were actually considered.

We express our deep disappointment with the arbitrary nature of this administrative act.

We will challenge this decision in court, where we will present the same evidence of our innocence, which is legally indisputable. We have full confidence in the impartiality and equidistance of the courts to clarify this case, which was resolved in haste, and to restore our reputation, which has been unjustly called into question.

We remain at your disposal for any additional information.
